From the papers submitted
it would appear that under
G. O. No: 2420-2 dated 29th
July 1887 Yell Mallappa
the then owner of the Jodi villages referred to
Chetty, was liable to contri-
bute half the cost of repairs
of the tank known as
Yellmallappa Chetty's tank
irrigating the lands of the
said Jodi villages. In 1890
an estimate amounting to
Rs 3480 was sanctioned.

in repairs which were
urgently needed. Soon
after this $\frac{5}{8}$ ths of the
Jodi villages passed ~~out~~ ^{into} the hands of
Mr. Maigandadeva

Moodahat in satisfaction
of a civil Court decree.

The Dy. Commissioner thereupon
decided that the Contribution
of Rs 1740 leviable should
be divided between Mr.

Maigandadeva Moodahat
and Puttusomay Chetty

~~at Rs 816-4-0~~ and directed

that Rs 816-4-0 should
be levied from the former

and Rs 923-12-0 from the
latter, freeing the former

from ~~any~~ liability to
bear any portion of Rs 868
spent before he came to the

place as a shareholder. ~~There~~

recovered from these parties. In 1897, the D.P.W. having decided that no more repairs than had been ~~made~~^{done} at an outlay of Rs 868 above referred to were necessary, the Dy. Commissioner proposes to refund to Mr. Maigunda deva Moodalan the whole of the amount recovered from him viz Rs 816-4-0 and the excess amount recovered from Yeli Pattusawmy Chetty viz Rs 489-12-0. The refund in favor of Mr. Maigunda deva Moodalan is under the circumstances admissible and may well be sanctioned.

With regard to Yeli Pattusawmy Chetty's case, the following ~~circumstances~~^{circumstances} which are before Govt. seem to require consideration before the refund is sanctioned.

To,

The Secretary
to the Government of Mysore
Revenue and General Departments.

Sir,

The yele mallappa chetti tank
in the Hoskote Taluk was constructed
in 1876-78, yele mallappa chetti,
Jodidar of Siranhalli and Kurud
Sonnenhalli villages of the Hoskote
Taluk bearing half the cost of construc-
-tion. The Government agreed to give
yele mallappachetti, free of charge,
the water required for his Inam lands
under the tank provided that the water
so given did not exceed one half the water
supply available. In regard to future
repairs, yele mallappa or his successor
in title, was declared (in the Dewan's
memo dated 28th July 1887 printed with
Government Proceedings N^o. 2420 dated

29th July 1887) to be liable

- (i) to maintain the tank under the rules of the Public Works Department;
- (ii) to contribute his quota towards repairs, local and irrigation cesses; and
- (iii) to share with Government, the cost of any future restoration or repairs, as is the custom in the case of tanks whose atchkat belongs partly to Government and partly to Indian villages.

2. In April 1890, an estimate amounting to Rs. 3480 was prepared for repairs to the above named tank and one half of this amount, viz Rs. 1740, was directed to be recovered from Mr. Puttusami Chetty, Zeli Mallappa Chetty's successor in title.

3. Pending the result of some correspondence in the matter of the recovery of the amount from Mr. Puttusami Chetty, urgent repairs, at a cost of Rs. 868 were done to the tank.

4. Soon after this, $\frac{5}{8}$ ^{ths} of the Jodi village came into the possession

of Mr. Maigandadeva Mudaliar, in satisfaction of a civil decree.

5. On Mr. Maigandadeva Mudaliar objecting to pay any portion of Rs. 868, the cost of repairs done to the tank before he came into possession of the village and after some correspondence on the subject, the then Deputy Commissioner, Mr. Shujaat Ali, directed on the 20th August 1894, that a contribution of Rs. 816-4-0 (being $\frac{5}{8}$ of $\frac{3480-868}{2}$) should be levied from Mr. Maigandadeva Mudaliar and Rs. 923-12-0 (being $\frac{1}{2}$ of 868 + $\frac{3}{8}$ of $\frac{3480-868}{2}$) from Mr. Puttusami Chetti. These amounts were ~~subsequently~~ ^{accordingly} recovered from the parties concerned. Flag 2

6. Subsequently, the Chief Engineer in his No. 3457 dated 27th July 1897, stated that the estimate for repairs to the said (Yele Mallappa Chetti) tank was ordered to be closed in November 1894. Hence the amount of contribution due from the Jodidars is only 434 Rs. ($\frac{1}{2}$ of Rs. 868, the cost of the repairs actually done to the tank) and this amount is due from Mr. Puttusami Chetti. CR referred to in the 54th Commis letter, Flag 3

and Mr. Maigandadeva Mudaliar
has to be refunded to them ^{viz} Rs. 816-4-¹¹/₂
to the latter and Rs. 489-12-¹¹/₂ to the former.
Refund bills for these amounts, are
herewith submitted for sanction.

8- The records of the case are
also herewith sent.
